1

The charges mentioned above cover only the service costs related to the creation of digital marketing creatives and social media management.

2

For lead generation activities, clients are required to allocate a separate budget based on their specific business goals.

3

As part of social media management, CTDS will generate high-quality leads within the client's allocated budget and provide detailed lead generation reports.

4

In addition to the standard plans listed, CTDS also offers customized digital marketing services tailored to specific client needs upon request.
